

Handout Pricing

Effective: January 2003

Standard Handouts

These are the classic "conference standard" handouts, which remain an excellent way to share your work with your peers. Our standard handout is a reprint of your poster on high quality, 11" X 17", 28lb., and glossy paper. Handouts are available in both color and black & white. Standard handouts must be ordered in increments of 25 and can be purchased during the poster ordering process.

Enhanced Handout Booklet

Our enhanced handout has been designed for improved readability and presentation. To create this spiral bound version of your research, SciFor's graphic artists sequentially reprint sections of text and images from your poster on separate pages of high quality, 8 1/2" X 11", glossy paper. A tastefully created cover page with the poster title, authors and corporate or institutional logos is created. Finally, the entire multi-page publication is bound with a spiral spine, a clear plastic cover and a card stock back sheet. This exceptional presentation must be ordered in increments of 5 and can be purchased when placing a full service (design and print) order.

Standard Handouts	
Black & White	\$0.75 per handout
Color	\$2.00 per handout
Enhanced Handout Booklet	\$12.00 per handout booklet

Shipping and Handling charges are extra.
